

What we're doing to keep you safe at Mill Fosse Cottage

As a self-catering cottage owner we are already committed to high standards of cleanliness. The safety and wellbeing of our guests is very important to us so for added reassurance and peace of mind. You can read more details of our planned safety measures [here](#)

- Our housekeeper will wear the recommended equipment to protect themselves and guests when entering the cottage.
- Unfortunately, non-residents will be unable to visit your cottage in the immediate future
- Please note that there will be no mid-stay cleaning at the cottage.
- Contactless key collection
- Prior to arrival all guests will be asked to confirm if they or any of their party have shown symptoms. Unfortunately, those currently with symptoms, or self-isolating will be asked to visit at a future date.
- A Risk assessment has been carried out in the cottage.
- On arrival you will find a cleaning checklist showing our attention to every detail to try and ensure a safe and comfortable stay.
- Anti-viral disinfectant is to be used to sanitise all surfaces and heavy-use items.
- Anti-bacterial hand sanitiser and wipes will be available in the cottage.
- Our housekeeper will work to the Government's "Covid Secure" guidelines.
- Member of Alistair Sawday's Clean & Safe charter.
- On the day of departure we would ask that you strip the bed and gather used towels and place into the laundry bag provided.
